

How to Log IN & Sign out a Vehicle

The in depth Guide For staff who need to reserve, check out, or return fleet vehicles.

Step 1: Open the Fleet Website

Go to yfnedfleet.com in your web browser.

<https://yfnedfleet.com>

Step 2: Log In

Enter your Username and password

A screenshot of the yfned FLEET login page. At the top is a logo featuring a car with a gear and the text 'yfned FLEET'. Below the logo are two input fields: the first contains the email 'Staff.Member@yfned.ca' and the second contains a masked password '.....'. At the bottom are two buttons: 'Login' and 'Forgot Password?'. A red arrow points from the 'Forgot Password?' button towards the text at the bottom of the slide.

If you dont have a username and password yet, you will need to set up your account with the I.T. Team

If you have forgotten your password click here

Step 3: The Main Page

When you log on you will see the Booking Container, Info sidebar and the Calendar.

The screenshot shows the YFNED Fleet Calendar interface. The top navigation bar includes the YFNED logo, the text "Fleet Calendar", and user information: "Logged in as: jake.carr@yfned.ca" with "Feathers" and "Logout" buttons.

1. Booking Container: This section on the left allows users to select a vehicle from a list of 12 options, including various models like Red Traverse, Nutrition Traverse, Grey Grand Caravan, Black Terrain, Grey Traverse, and Ford Transit Van. It also includes fields for "Start Date (Mon-Fri)", "End Date (optional, Mon-Fri)", "Start Time", and "End Time". A "Book Vehicle" button is at the bottom.

2. Calendar: The central calendar displays the schedule for "08-21 2021 Black Terrain (CN467)". The calendar for July 2026 shows a booking for "Jake" on Wednesday, July 8th, from 6:00am to 7:30am. The calendar is labeled "08-21 2021 Black Terrain (CN467) schedule: Available" and "July 2026".

3. Info Sidebar: The right sidebar provides details for the selected booking on "July 8th". It shows the user "Jake Carr" with a "Your booking" status. The booking details include "Start: 6:00am" and "End: 7:30am". There are buttons for "Remove" and "Sign In/Sign Out".

Sign In/Sign Out

Your bookings will be tagged in lime green with the "Your booking" tag to make it easy to identify. It will also show the start and end time that you booked, a Remove button that will delete your booking data, and a Sign In/Sign Out button

Ignore the Sign In/Sign Out button for now, and go see front desk if you are ready to drive.

Step 6: Get the Keys

At the front desk you will need to ask for the keys to the vehicle you have booked, and she will hand a small binder of pink keycards that look something like this:

This card is Near-Field-Communication Card (or an NFC for short).

You will need to tap your cell phone against the pink NFC Card for the vehicle you are about to drive, and it will take you to the sign in portal for YFNEDfleet.com

Then Front Desk will give you the keys and you are good to go down to the vehicle.

NFC Troubles!!

[Sign In/Sign Out](#)

If you don't know how to turn on your phone's NFC, come see I.T. Team, if your phone doesn't have an NFC scanner, you can ask Front desk to log that you have the keys manually, and then log into yfnedfleet.ca, click your booking for today and then click the Sign In/Sign Out button in the Info sidebar and proceed to Step 7.

Step 6: Complete the Checklist

Now that you have the keys and you are at the vehicle in the parking lot, you need to fill out the vehicle checklist before you drive.

Before you leave the parking lot with the vehicle you will have to Tap your phone against the Green NFC card in the vehicle.

This will open a web browser on your phone with the Vehicle Checklist. This checklist is MANDATORY to fill out before driving any YFNED fleet vehicle.

The actual Sign Out Vehicle button will not be available to use until the checklist is completed.

Step 7: Drive Responsibly

...Be safe.

Step 8: Returning the vehicle

As soon as you park the vehicle you will need to tap your phone against the green NFC card again. This time, a browser will open up to a different part of yfnedfleet.com that has a comment section and a button to return the vehicle.

Comments, Incidents, or Corrective Actions Needed?

Describe any issues, incidents, or maintenance concerns noticed during use.

Return Vehicle

Here there is a section that you can make any comments, or communicate anything that might have happened while you were driving. If nothing out of the ordinary happened, you can leave this section blank before clicking "Return Vehicle"

This is not the end, you still need to give back the keys to front desk.

Step 9: Return the Keys

It is important to remember to return the keys to Front Desk. This doesn't mean leaving the keys on the front desk counter, or handing the keys over to the next person who has the vehicle booked.

You still need to make sure that the yfnedfleet.com system knows that you have returned the keys as well.

When you want to return the keys you will have to tap your phone on the Pink NFC Card for that vehicle. Once you tap your phone on the NFC Card from Front Desk, hand over the keys and you're done!
